INDEMNIFICATION & INSURANCE REQUIREMENTS

Indemnification

Successful Bidder shall indemnify, defend and hold harmless the City and its officials, employees and agents (collectively referred to as "Indemnities") and each of them from and against all loss, cost, penalties, fines, damages, claims, expenses (including attorney's fees) or liabilities (collectively referred to as "Liabilities") by reason of any injury to or death of any person or damage to or destruction or loss of any property arising out of, resulting from, or in connection with (i) the performance or non-performance of the services contemplated by the Contract which is or is alleged to be directly or indirectly caused, in whole or in part, by any act, omission, default or negligence (whether active or passive) of Successful Bidder or its employees, agents, or subcontractors (collectively referred to as "Bidder"), regardless of whether it is, or is alleged to be, caused in whole or part (whether joint, concurrent, or contributing) by any act, omission, default or negligence (whether active or passive) of the Indemnities, or any of them or (ii) the failure of the Successful Bidder to comply with any of the provisions in the Contract or the failure of the Successful Bidder to conform to statutes, ordinances or other regulations or requirements of any governmental authority, federal or state, in connection with the performance of the Contract. Successful Bidder expressly agrees to indemnify and hold harmless the Indemnities, or any of them, from and against all liabilities which may be asserted by an employee or former employee of Bidder, or any of its subcontractors, as provided above, for which the Successful Bidder's liability to such employee or former employee would otherwise be limited to payments under state Workers' Compensation or similar laws.

Successful Bidder further agrees to indemnify, defend and hold harmless the Indemnities from and against (i) any and all Liabilities imposed on account of the violation of any law, ordinance, order, rule, regulation, condition, or requirement, in any way related, directly or indirectly, to Successful Bidder's performance under the Contract, compliance with which is left by the Contract to the Bidder, and (ii) any and all claims, and/or suits for labor and materials furnished by the Successful Bidder or utilized in the performance of the Contract or otherwise.

Where not specifically prohibited by law, Successful Bidder further specifically agrees to indemnify, defend and hold harmless the Indemnities from all claims and suits for any liability, including, but not limited to, injury, death, or damage to any person or property whatsoever, caused by, arising from, incident to, connected with or growing out of the performance or non-performance of the Contract which is, or is alleged to be, caused in part (whether joint, concurrent or contributing) or in whole by any act, omission, default, or negligence (whether active or passive) of the Indemnities. The foregoing indemnity shall also include liability imposed by any doctrine of strict liability.
