Section 62-17, "Proceedings of Planning, Zoning and Appeals Board."

(a) Officers and voting. The planning, zoning and appeals board shall select a chairman and vice-chairman from among its members and may create and fill such other offices as it may determine. All members, or the alternate member sitting in the place of a member, shall be required to vote on matters before the planning, zoning and appeals board, subject to the provisions of subsections (g) and (h) and applicable state statutes. The planning and zoning director shall attend all meetings of the board. The hearing boards section of the planning and zoning department, or its successor, shall be the executive secretary of the planning, zoning and appeals board.

(b) Rules of procedure. The planning, zoning and appeals board shall establish rules of procedure necessary to its governing and the conduct of its affairs, in keeping with the applicable provisions of state law, and the City Charter, ordinances and resolutions. Such rules of procedure shall be available in written form to persons appearing before the board and to the public upon request. Quasi-judicial procedures as provided in the zoning ordinance and as required by state law shall apply to its decisions and recommendations, including rezoning; special area plans; exceptions; variances; and appeal decisions by the board.

(c) Meetings. The planning, zoning and appeals board shall hold at least two regularly scheduled meetings each month, except the month of August, on days to be determined by the board. Other regularly scheduled meetings may be set by the board, and additional meetings may be held at the call of the chairman and at such other times as the board may determine. Meetings that are not regularly scheduled shall not be held without at least ten days written notice to each member and the alternate member, provided that upon concurrence of the chairman of the planning, zoning and appeals board and the city manager, an emergency meeting may be called at any time and with appropriate notice.

(d) Quorum; public records. Quorum requirements are governed by the provisions of section 2-887. However, no action to recommend adoption of amendments to the city comprehensive plan, or to recommend the amendment of the text of the Miami 21 Code, rezoning, or special area plan, or to approve an exception shall be taken without the concurring votes of a supermajority of board members present. Said supermajority consists of one more member than a simple majority. The executive secretary of the planning, zoning and appeals board shall keep minutes of board proceedings, showing the vote of each member or alternate member, if sitting for a member, or if absent or failing to vote under subsections (e) and (f), indicating such fact. It shall be the responsibility of the executive secretary of the planning, zoning and appeals board to handle all procedural activities for all public hearings held by the board, including the preparation of minutes and official records of such hearings. The official records of such public hearings shall be filed with the city clerk.

(e) Status of alternate member. In the temporary absence or disability of a member, or in an instance where a member is otherwise disqualified to sit on a particular matter, the chairman of the planning, zoning and appeals board, or the vice-chairman in his absence, shall designate the alternate member to sit as a board member to obtain a full membership of 11 or, as nearly as possible, a full membership. When so acting, the alternate member shall have full rights of participation and voting as members; his vote shall be deemed that of a member in reaching a decision on a matter. In instances where the alternate member is not sitting as a member, he shall have the right to participate in board discussions and to ask questions, but he shall have no right to vote or make motions. Where the alternate member has been duly designated to sit as a member on a particular matter and consideration of that matter has begun, the alternate member shall continue to sit as a board member through disposition of the matter; and he shall not be replaced, should the member who was absent or unable to participate later be present.
(f) Disqualification of members or alternate. If any member of the planning, zoning and appeals board or the alternate member called on to sit in a particular matter shall find that his private or personal interests are involved in the matter coming before the board, he shall, prior to the opening of the hearing on the matter, disqualify himself from all participation of whatsoever nature in the cause. Alternatively, he may be disqualified by the votes of not less than six members of the board, not including the member or alternate member about whom the question of disqualification has been raised. No member or alternate member of the planning, zoning and appeals board may appear before the city commission or planning, zoning and appeals board as agent or attorney for any other person.

(g) All city departments and employees shall, under the direction of city manager and upon request and within a reasonable time, furnish to the planning and zoning department such available records or information as may be required in the work of the planning, zoning and appeals board. The city manager shall assign a member of the public works department, planning and zoning department, neighborhood enhancement team, the code enforcement department and fire-rescue department, or their successors, to attend public hearings of the planning, zoning and appeals board and to advise the planning, zoning and appeals board when necessary, and to furnish information, reports and recommendations upon their request. The city attorney shall attend public hearings of the planning, zoning and appeals board to advise the board when necessary and to furnish information, reports and recommendations upon their request.

(h) The planning, zoning and appeals board or representative of the planning and zoning department may, in the performance of official duties, enter upon lands and make examinations or surveys in the same manner as other authorized city agents or employees and shall have other powers as are required for the performance of official functions in carrying out the purposes and responsibilities of the board.
